

# Experiencing Golf Junior Program

## at Worcester GC

### Instructor: Diane Rama, LPGA Teaching Professional

Open to boys and girls who “play the game”. This means you know general golf terms, rules, etiquette, have played on the course with others, and have golf lesson experience. Students should have a minimum of 2 years playing experience on the golf course. All students must have their own clubs as we will be playing Worcester GC. At this level, I want the kids to learn how to score and to play within themselves in order to prepare them more fully for competition. Some students in class are also playing competitive golf on high school teams, KO Tour, US Kids Tour, and Phila. Jr. Tour.

Class will cover: full swing and short game fundamentals at the practice facility. Junior golfer will learn these fundamentals through the use of drills, exercises, fun games, and video. After practice junior golfers will go on to golf course with Diane to play and put to use the skills they learned and practiced. Diane will help junior golfer with club selection, reading greens and any other need(s) of each individual student. Pace of play will be emphasized!

### Program Information

- Class Size – 4:1
- Fee: \$65 p/p per clinic (Fee includes greens fee for on course portion of class and range balls for practice portion of class)
- Sign up is required to reserve your spot in class. You can sign up for one or as many classes as you like. Please fill out registration form and send to Diane Rama with payment.
